

Addnode Group acquires pcSKOG in Sweden

Icebound, a company within the Process Management division, announces today that it has acquired pcSKOG AB in Lund, Sweden. pcSKOG is a SaaS company that strengthens Icebound's position and offering within digital solutions for the forestry industry. The company's net sales amount to SEK 10 m.

pcSKOG is a market leader in digital forest management plans. The company's proprietary software is an important strategic tool used throughout the forest's entire lifecycle, from planning forestry measures to certifications, financial management, valuation and sales.

"We are very pleased that pcSKOG now is part of Icebound. With their long experience and good knowledge in the forest industry, we look forward to being able to offer the market's best solutions to even more customers," says Staffan Bygdén, CEO of Icebound, a company within Addnode Group's Process Management division.

pcSKOG will be consolidated from April 2025 as part of Addnode Group's division Process Management.
