## Addnode Group awarded for Best Annual Report

Stockholm, November 27, 2014 – In conjunction with the conference [Finforum](#) Addnode Group received the award for best annual report in the category Small Cap 2013. Finforum is jointly organized by FAR, NASDAQ OMX, the Swedish Society of Financial Analysts and the Swedish Association of Communication Professionals.

The contest has been conducted since 1966 with the aim of developing and improving the quality of listed companies' external information.

The jury believes that "[Addnode Group's annual report](#) is a great example when it comes to transparency, simplicity and clarity. No other company uses so little text, and so many graphs and graphics as Addnode Group. Effective information disclosure at it's best."

"This is a quality assurance of our annual report that we are very happy and proud of", says Johan Andersson, CFO and Head of IR at Addnode Group.
