

Press release

Addnode Group consolidates into three business areas

Stockholm, 13 December 2016

Addnode Group has decided that the operations in the business area Content Management shall be consolidated in business area Process Management under the management of current business area manager Andreas Wikholm.

The outcome of the year-end report for 2016 will be reported under the new structure with three business areas: Design-, PLM- and Process Management. Historic financial outcome for the new business unit structure is available in the investor section of the website www.addnodegroup.com
