## Addnode Group signs framework agreement with the Swedish Prosecution Authority with an order value of SEK 80 million

**Stockholm January 17, 2017**

Addnode Group's subsidiary Decerno have as the only supplier won the tender from the Swedish Prosecution Authority for a framework agreement for system development services. The Swedish Economic Crime Authority will also be able to utilize the agreement.

The new framework agreement is valid for four years, and is expected to generate net sales of approximately SEK 20 million annually, totaling 80 million over the contract period.

Decerno already has a framework agreement with the Swedish Prosecution Authority and has developed a tailored case management system for the authority. It supports prosecutors' handling of criminal cases and has direct connection to the police system. 1100 prosecutors and 300 administrators are utilizing the system.

- We are proud that the Swedish Prosecution Authority have renewed their confidence in us. This is a strong testament to our expertise and capability of delivery as well as our domain knowledge in the legal system, says Andreas Wikholm, head of Addnode Group Process Management.
