

Jonas Gejer steps down from his executive position, but remains as main owner of Addnode Group

Jonas Gejer, Vice President of Business Development and part of Addnode Group's Management, has decided to step down from his position in Addnode Group, as of June 30, 2024. Jonas will remain as long-term main owner of Addnode Group together with Staffan Hanstorp through Aretro Capital Group AB.

Jonas has served in key roles since Technia joined Addnode Group in 2004, from Head of Sales and CEO of Technia and Division President Product Lifecycle Management, and lately driving Group Business development. As one of the founders and later as CEO Jonas has been instrumental in expanding Technia, both organically and through acquisitions, to become an international company with business in 20 countries. With Jonas as CEO Technia grew net sales with 500 per cent.

"On behalf of Addnode Group, I want to thank Jonas for his achievements throughout the years serving in key roles in both Technia and Addnode Group. He has brought tremendous value to employees, customers, and shareholders. Even though Jonas is stepping down from his executive position I am happy that he has agreed to as a consultant support me and Addnode Group with business development activities," says Johan Andersson, CEO and President of Addnode Group.
