Pressrelease

## New head of business area Process Management

**STOCKHOLM, June 4, 2015 - Andreas Wikholm has been appointed the new head of Addnode Group's business area Process Management. Andreas Wikholm is currently head of Visma Consulting AB and will assume his new assignment as head of business area Process Management in the fall of 2015.**

Addnode Group's business area Process Management is a leading provider of IT systems and services for the public sector in Sweden. Customers include government agencies, 270 Swedish municipalities, as well as a large number of private companies. The sales for 2014 amounted to SEK 433 M and was conducted by the subsidiaries Abou, Arkiva, Cartesia, Decerno, Ida Infront, Kartena, Mittbygge, Prosilia, Tekis and partly owned Kompanion.

*- Andreas has an extensive experience from the public IT market and a proven ability to lead and manage both product and consulting businesses. We have a very strong business offering and going forward, we have a clear growth strategy for the business area Process Management which Andreas now will execute, says Staffan Hanstorp, President and CEO, Addnode Group.*

*The information in this press release is such that Addnode Group must disclose in accordance with the Swedish Securities and Clearing Operations Act and/or the Financial Instruments Trading Act. The information was released on June 4, 2015, 8.30 a.m.*
